

TOBEY-KARG SALES AGENCY

4640 Campbells Run Road
Pittsburgh, PA 15205
412-787-3899 (phone) / 412-787-8878 (fax)
Manufacturers Representative For:

AAON – Packaged Rooftop Units up to 230+ tons, Evap. Condensing, Pool Dehumidification Units, Make up Air Units, Air to Air Heat Pumps, Water Source Heat Pumps, Split System WSHP Units, Water Cooled Units, Air Handling Units –Modular up to 56,000 CFM, Air Cooled Condensing Units from 2-230 tons, Air Cooled and Evap. Cooled Chillers, Packaged Equipment and Boiler Rooms, Vertical Self Contain Units, Blower Coil and Fan Coil Units.

Aerofin- Hot, Chilled and Steam Coils, Integral Face and Bypass Coils, Custom Coils, Air Cooled Condensers.

Airedale – Packaged Vertical Unit Ventilators (air cooled, heat pump, chilled and hot water), Makeup Air Units (Gas Indirect & Direct fired), Hydronic Heating products, Ductless Split Systems, Gas-fired Infrared Heaters

APV– Plate & Frame Heat Exchangers

Aquanomix—Rainwater Harvesting, DDC Control Integration, Water Management Expertise, Rainwater for Cooling Cooling Towers

Bioclimatic Air Systems – Ionization Equipment, Gas Filtration Media, Indoor Air Quality

Buffalo Air Handling – Custom Engineered Air Handling Units – Aluminum, galvanized or stainless steel construction. Thermal break panel construction. Each unit is custom engineered to meet the customer's onsite requirements.

Climate Master– Water Source Heat Pumps (horizontal, vertical, hi-rise, water to water, console), geothermal, 100% make-up air heat pumps, Rooftop WSHP Units with energy recovery options.

Compu-Aire- Computer room units (ceiling, floor and wall mount units) air and water cooled, advanced micro-controller options, heat pumps.

Desiccant Rotor International: Enthalpy, Sensible & Desiccant Heat Wheels, ARI Certified 3-Angstrom Wheels, Direct Replacement Wheels for AAON Heat Wheels, Stand Alone ERV Units, Treated Fresh Air Units

DriSTEEM-Humidification Systems, Steam Generators (gas, electric, hot water, steam) Dispersion Panels, Room Humidifiers, Insulated Tube Options.

Dunham-Bush– Water and Air Cooled Chillers & Condensing Units, Package Rooftop Units and AHU's

Evapco— Fluid Coolers & Cooling Towers, Pulse Pure Non-Chemical Water Treatment, Low Sound Solutions.

Friedrich— PTAC and VTAC Units, Ductless Mini-Splits, Hazardous Location Wall Units.

Hydro-Temp - Vertical stack corner WSHP units, horizontal and vertical WSHP, custom Make-up air WSHP units, water-to-water units, console units, WSHP unit ventilators, heat recovery options. Custom design and built units.

International Environmental, Inc. (IEC) —Fan Coil & Blower Coil Units, Vertical Hi-Rise units

Jackson & Church — Air Rotation Units, Multi-zone Units, Make-up Air Units

Kathabar—Desiccant Dehumidification, Specializing in Liquid Desiccant, Niagara “No-Frost” Systems, Energy Recovery, Dry Desiccant Systems

Lennox- Commercial Packaged Rooftop Systems from 3 to 50-tons, Split Systems, Building Controls

MAFNA- Custom Engineered Air Handling Units, Low Sound Solutions, Custom WSHP Units, Mechanical Penthouse Units, Make-up Air Units. Units are custom engineered to meet job requirements.

MEPCO-Steam specialties, condensate return pump/tanks, vacuum pumps, all replacement parts

Motivair- Air Cooled and Water Cooled Chillers, Medical and Process Applications, Scroll and Screw Compressors, Heat Recovery Options, Chilled Door Rack Cooling Systems, Dry Coolers, Pump Stations

Nesbitt Aire— Unit Ventilators, self-contained unit ventilators

Puroflux— Condenser Water System Filtration (Sand filters, Solid Separators, ect) Cooling Tower Control Panels

Raywall— Electric Unit Heaters, cabinet unit heaters, wall heater, baseboard, duct heaters

Sanuvox — UV Light systems — UV bio-wall indirect UV air purifier

Sanyo- Split-type, multi-split-type A/C systems, ECO-i Series VFR systems

SMARTD Chillers: “Turbocor” Oil Free Centrifugal Compressor Technology, Air Cooled 60-250 tons, Water Cooled 60-1200 tons. Graphical Control and Monitoring System.

Sun-El- Radiant Heating and Cooling Products, linear radiant panel or modular

Tandem Chillers-True modular style chillers, water cooled options in 20,30,40,50 and 60 ton modules, air cooled options in 10,15,20,25 and 30 ton modules, pump packages, scroll and screw compressors, dry-coolers, WSHP Chillers, Heat Recovery Chillers

United Cool Air- Packaged and split-able air conditioners, vertical self contained, computer room units, ductless splits, space saver designs, air cooled or water cooled, ceiling or floor mounted

VIBROACOUSTICS® *VibroAcoustics* – Vibration isolation, floor mounted isolators, isolation hangers,
Isolation curbs, seismic restraints

 *Vulcan*– Hot Water and Steam Unit Heaters, cabinet unit heaters, convectors, finned tube radiation

 *Yaskawa*– Variable Frequency Drives
The Drive for Quality™
